ACKNOWLEDGEMENT OF OTHER RECORDING DEVICES

AGENDA (This meeting is for the sole purpose of discussing the emergency sinkhole repair on Bauman Avenue)

VISITORS - None

DISCUSSION

Mr. Sadaka presented a new price for the sinkhole repair at a great cost savings. CTM Construction of Monaca PA gave a base price of repairing the damaged pipe of \$50,400. This price is based upon the linear foot price of \$960. To relocate and repair the sewer would cost \$107,760. Mr. Sadaka noted that this cost does not include the price of bonding and possible unknowns but it is much more affordable.

Discussion took place regarding the difference in cost from the prior bids which had linear feet cost of over \$11,000. It was also noted because of not knowing the depth of the line to be repaired the costs were high however the linear foot cost with CTM is much more reasonable.

With the cost being so much lower council agreed to proceed with the full replacement option at \$107,760 plus the cost of bonding and possible add-ons that may occur not to exceed \$200,000.

MOTION by Mr. Trzcianka second by Mrs. Singleton, carried unanimously to give the contract to CTM.

MOTION by Mr. Trzcianka, second by Mr. Shelkons, carried unanimously to proceed with a loan in the amount of \$200,000.

ADJOURNMENT

MOTION by Mr. Besong second by Mrs. Singleton carried unanimously to adjourn the meeting at 6:55PM.

Respectfully submitted for approval,

Elaine K. Rakovan
